

Handout 12A – Final Project Showcase Planner

Today I will learn: How to celebrate my digital growth and plan my next steps! 🎉

Choose Your Showcase Adventure

Pick ONE project to present:

 Option 1: Professional Resume • What it includes: Complete resume ready for job applications • Why choose this: I want to focus on career readiness • What I'll present: How my resume shows my growth and skills	 Option 2: Personal Brand Slide Deck • What it includes: 5-slide presentation introducing myself • Why choose this: I want to practice presenting myself confidently • What I'll present: My slides and story about who I am
 Option 3: Digital Story • What it includes: Google Doc or Slides telling my learning journey • Why choose this: I want to reflect on how far I've come • What I'll present: My transformation from digital beginner to confident user	 Option 4: AI Exploration Project • What it includes: Research and demo of AI tools that could help me • Why choose this: I want to explore cutting-edge technology • What I'll present: What I learned and how I might use AI

My Project Planning Worksheet  My chosen project: _____ What it will include: One thing I want feedback on: What I'm most proud to share: What I've learned about myself through this process:	Presentation Confidence Builder  To feel prepared, I will: • Practice my presentation out loud at least once • Time myself (aim for 2-3 minutes) • Prepare one question to ask the audience • Think of one compliment to give each classmate • Remember: Everyone here supports my success!

Handout 12B – Showcase Success Checklist

Today I will learn: How to present my work with confidence and celebrate my achievements! 🌟

Pre-Presentation Checklist

- ☐ **Project is complete** and saved properly
- ☐ **I've practiced** presenting at least once
- ☐ **I can explain** what I learned in simple terms
- ☐ **I'm ready to share** my growth story with classmates
- ☐ **I have one question** prepared for the audience
- ☐ **I'm prepared to give** positive feedback to others

My Presentation Game Plan

Opening line: "Hi, I'm _____ and I'm excited to share _____"

Three main points I want to make:

- 1.
- 2.
- 3.

Closing line: "Thank you for being part of my learning journey!"

Feedback Skills for Classmates

When giving feedback, I will:

- Listen actively to each presentation
- Find one specific thing to compliment
- Offer one constructive suggestion (if asked)
- Ask questions that show I'm interested
- Celebrate everyone's achievements

Sample feedback phrases:

- "I really liked how you..."
- "You showed great improvement in..."
- "One thing I learned from your presentation was..."
- "You should be proud of..."
