

THE 4-SECOND RESET

1. Inhale (2 seconds)
2. Pause (1 second)
3. Exhale (2 seconds)
4. Aim your intention

ACKNOWLEDGE → CLARIFY → STABILIZE

- Acknowledge: "I hear your frustration"
- Clarify: "Let me find out exactly where things stand"
- Stabilize: "I'll get you an answer by [time]"

COMMON BIAS REFRAMES

- "They're not reacting to me, they're reacting to the situation"
- "This isn't about my competence"
- "I don't need to fix everything right now"
- "My role is to guide this moment, not assign fault"

INTERNAL SCRIPT

Ask yourself: "What do they need here?"

Not: "What are they thinking or feeling?"
